LEO YEARS OF SERVICE
TRANSFER PROGRAM

Lions Clubs International's Board of Directors approved a resolution which allows Lions who are former Leos to include their Leo years of active service in their Lions membership history.

To include your Leo years of service in your Lions membership record, complete this form and submit it to International Headquarters with a Monthly Membership and Activities Report, or attach it to an existing club roster. Your years of service as a Leo will be credited to your Lions club membership history.
